1.0 Introduction – The Comprehensive Survey Tool

The Comprehensive Survey Tool (CST) is a Web-based tool that you can use to:

- Review survey findings.
- Enter a Corrective Action Plan (CAP).
- Upload and view documents.
- Work with a submitted CAP.

1.1. Product Support

Use of the CST requires that you possess a unique login username and password that is assigned to you by the Administrative Representative for your department. If you encounter an issue regarding the login process, contact this individual.

After login, if you encounter a problem with this product, or if you have a question or recommendation regarding this user guide, contact the FSSA Technology Services Help Desk at:

FTSHelp@fssa.IN.gov

A member of the FTS Help Desk team will contact you to address the issue.

2.0 Overview – Reviewing and Entering a Corrective Action Plan (CAP)

1. Navigate to the Provider Website at <https://ddrsprovider.fssa.in.gov/BDDS/>.
2. Log in by using your username and password.
3. Click the **Survey List** link under the **CST** menu on the left side of the screen.
4. Search for the survey by using the search option or pick the survey from the list of surveys.
5. Click **Findings** next to a survey that contains **New** in the **Status** column. The system displays a list of findings.
6. Locate the finding you want to view from the list.
7. Click the **View** hyperlink under the **CAP** column next to the finding you want to view.
8. Complete the information in the **For Provider Only** section of the screen (all fields are required).
9. Click the **Save** button to save what's been entered without submitting the CAP.
10. Click the **Submit** button to submit the CAP.

2.1 Viewing Survey Findings

This section of the *Provider CST User Guide for DDRS* describes how to view survey findings.

Navigate to the Provider Website at:

<https://ddrsprovider.fssa.in.gov/BDDS/>.

Log in by using your username and password.

Click on the **Survey List** link under the **CST** menu (*Figure 1*) on the left side of the screen.

2.2 Search Option to Find a Survey

There is a search option on the **Survey List** screen (**Figure 3**) that allows you to search for a survey based on one or more of the following pieces of information for the client:

- Last Name
- First Name
- Survey Name

The screenshot shows the 'Comprehensive Survey Tool' interface. At the top, it says 'Division of Aging' and 'Comprehensive Survey Tool'. Below that, it displays 'Provider: AREA 7: WEST CENTRAL INDIANA ECONOMIC DEVELOPMENT DISTRICT'. There is a link for 'Survey List'. A red box highlights the search area, which includes a 'Search option' button and three input fields labeled 'Client Last Name', 'Client First Name', and 'Survey Name'. A 'Search' button is also present. Below the search area, there is a table header with columns: 'Client Name', 'Survey ID', and 'Status'.

Figure 3 - Survey Search Option

For Example To locate a survey based on a client's first name and the first two letters of the client's last name, you would enter the information into the **First Name** field and the **Last Name** field.

Once you've entered the search criteria, click the **Search** button (*Figure 4*) to display a list of surveys that meet the search criteria (*Figure 5*).
